

HOW TO GET TO CORTIJO DEL PINO

1. Roads to Granada from the neighbouring provinces.

Before arriving, you must confirm the time of arrival to Concha López by phone: tl 0034 625239780, by e-mail: info@cortijodelpino.com or by whatsapp.

If you come by train, bus or plane, you will have to take a taxi. As the house is in the country, the taxi driver will need directions to find the place. Please, download and print the map and show it to the taxi driver. The taxi fare from the bus station or from the railway station will be around 10€. From the airport it will be around 25€.

2.- Access to the *circunvalación de Granada* A-44 (Granada's ring road).

If you come from Málaga or the airport by the A-92, you must take the *salida 230* (exit 230) at Santafé, about 5 km before Granada and go along as far as the access to the ring road heading towards Motril in the industrial zone before entering Granada (access on the right by “Ferretería el Timbre” and “Tiendas Aurgi”).

If you come by the N-323 from Madrid or Motril (coast), you access directly to the ring road (both are united).

Finally, if you come from Guadix-Almería by the A-92 you must take the *salida 241* (241 exit) heading towards Granada and Motril. You will also access to the N-323 and the ring road.

3.- Access to *salida 129* (129 exit) “Recogidas” at the ring road.

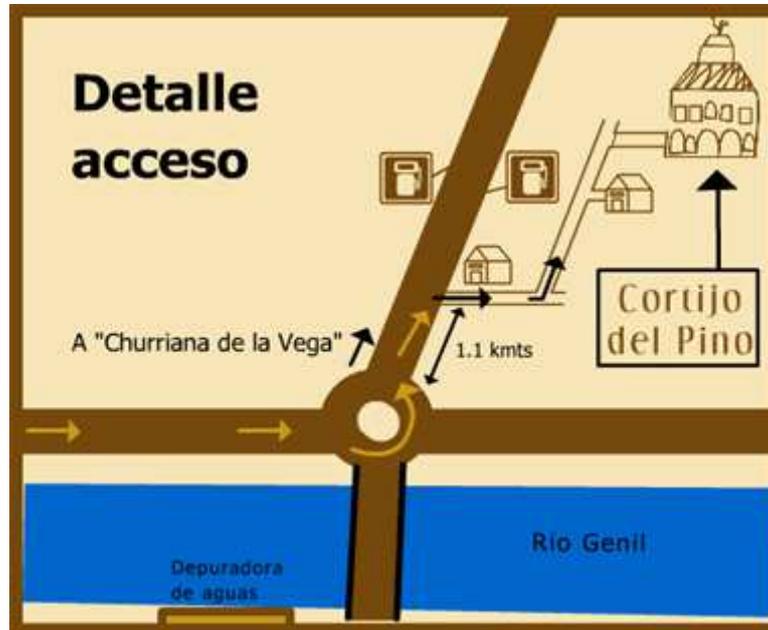

From whatever direction you come to Granada you have to come via the ring road. Once on the ring road, you must take the *salida 129* (129 exit) (City centre – Recogidas) whatever the direction you come from. The previous and following exits to this are: 128 “Méndez Núñez” and 130 “Armillas” or vice versa according to the direction from which you come.

4.- How to get from the *salida 129* (129 exit) to the Churriana road going towards the Cortijo del Pino

This exit comes out onto a big roundabout, where there is a sign “Construcciones Otero” (if the traffic is heavy is difficult to see it may be you need go around 2 times) You must take this street parallel to the bike path and go along to the bridge over river Genil. (At the end of the bridge, there are traffic lights and a crossroads). When you cross the bridge, INMEDIATLY turn right. Then, go along that road next to the river for about 1.9 km, until you get to another roundabout.

5.- Arrive to the Cortijo del Pino

Once on the roundabout, you must take the road to Churriana de la Vega and, from there, it is 1.1 km to the point where you leave the road. At this point, there is a sign on the right, which indicates “*CAMINO VIEJO DE CÚLLAR*” before a petrol station (SHEEL). Go behind the petrol station and take the third lane on the right (you find some trees and 2 big stone), you have to unchain a barrier to pass. After about 120 m, you arrive at the Cortijo. When you leave your car enter in the house and ring the bell you will find in the patio on the right.
